I'd like your opinion,,

Picture below is upper isolation mount that was changed in Islip January 20=4., note the compression at the bottom of isolator, we can rotate 180 degr=es which is approved or install new, price \$1,700 each.

We have 4 of these per side,, 2 fwd and 2 aft,, this is the most visible of=isolators,,

Should I install new as required, rotate 180 degrees or install all new one=?

Thx

Larry

I received your email to Kathleen,, I sent,,
