i reviewed attached with Leighton and Jansusz
they confirmed that attached picture is an example of pebbles mixed with clear
poly sealant as we discussed earlier

please advise if we shall proceed with this or entire driveway or shall we try
other options such as another color tone (tan) or grass
thank you

Hello Mr. Epstein,

Attached is a picture of mockup of paver stone with epoxy and stone flush to top
of driveway pavers. Is this acceptable?

Best,
Leighton
