I'll check again with lorin, but my strong belief is that the answer is yes. Especially with the referral coming from the most recent head of the sdny usao.

can you tell me for certain that if leon decides enough is enough, (she has not responded to an email from him that says i am checking on you). that you and lorin can have her arrested.!! fed extortion, , high bail. . maybe deportation? , if she does not respond to his email and shops for attnys telling each one a horror story, he will be a target for a long time. in many of the cases that i have read, two things pop out, , some survive a MTD . bad for leon. and some if not most all claim she has filed suit beacuse i refused to be extorted. i think the extortion claim AFTER a filing is fairly weak. and would be seen to be an intimidattion tactic from a powerful man, if you think you are being extorted (like the two Jills in miami) , they went right to the police. . and the dynamic and energy is on the side of teh good guys.
