Hey Bossman,

I rather you hear it from me than anyone else. ☺

I been really sick for the past 2 weeks. I found out on Tuesday the 21st tha= I had a dead fetus inside of me ☺ so I had to get a DNC (Scraping of my uterus) done immediately the same day. I still been going to work e=eryday just incase I'm needed for anything STC/LSJ related.

I leave tomorrow morning Friday 23rd to Miami. I'm crazy excited for=Emma going to Barry University. I can't believe she's going=to College already. CC is doing so well in school that it's unbelie=able. I could never thank you enough for what you've done for me an= my kids. xoxo

Last week. I told Daphne that she's been sabotaging my work and doin= things to get me in trouble for no reason. We had a meeting in the confere=ce room with Cecile & Jeanne present. Daphne had nothing to say as usual. T=en I find out that Jeanne doesn't like to come to work around a cer=ain time because of Daphne -crazy

Karen is disrespectful for no reason and she clearly doesn't want my=help with anything even if she's not sure what to do. Brice not so b=d he's only mean when his wife is around. I swear, I feel like I💎=80💎m being tortured when I'm not working on LSJ and when your not=home.

Sylvester, Karl & Chico will go back to LSJ on Monday 26th. I think Sylveste= is moving slow on purpose so he doesn't have to go over because of=Brice & Karen. I told him that he's needed over there immediately a=d he can work on my house on the weekends no rush.

All I have left to do to the house is tile the washroom & my bedroom, finish=the cabinets and put up a fence in the front the house. Once again, I could=never thank you enough. I'll send pictures today

XOXO
