Just had an hour consult with Justin Dillon of KaiserDillon, probably the premiere Title IX firm in the country (you can google all the work they have done). He is presently doing 2 cases at ASU, and it turns out he read

physics of star trek when he was in college and is a big fan. He seemed excellent and knew just how the system works (=nd has already once forced ASU to end a suspension of a student because they violated his rights).

Anyway, we talked strategy etc, and I am confident if I went with a lawyer to keep me in my position=at ASU they are the firm. They are not cheap though. \$15K retainer, and he expected the full process would probably be between \$50-100K. =C2

Let me be blunt. Can you=help? I have already lost over \$100K in speaking engagements this year alone.

There is no one else I would ask =o bluntly, nor anyone else I will be absolutely fine with whatever the answer is.

Lawrence
