I hope to see you soon one way or another, either=here or back East.

Yesterday there was a ceremony=to rename the main building at SFI after Murray. It was q=ite touching: some reminiscences (I put in a few, and sang Murra= a song: He is the very model of a modern Nobel Laureate), a bri=f appreciation speech by Murray, and then lunch. As=you probably know, Murray is in pretty bad shape these days, sad=y diminished in mental powers and confined to a wheelchair. But =e was on for this occasion, and it was touching.

=pologies again (curse DARPA) and hoping our paths cross soon,
