stefan , the leather is old on the seat, =it is not new. . the number of parts are irrelevant. . you can speak directly with my principal if you prefer. so there is no=man in the middle. you told both of us that you had a brand NEW seat=in california that you would air freight. . I dont know if it came i= pieces or not. , the leather on the seat , is cle=rly not new. you can replace the leather if you like, yo= can show me a bill that reflects a brand new seat.

Look at the diagram then look =t the seats. Nobody makes an Aftermarket seat for this! Its all factory an= works exactly that way. call the dealer and see for yourself to ver=fy.. It took days to get this right.. the dealers do not want to be bother=d.. It's so many parts Plus so much work to put together.. It♦=80♦s all assembled piece by piece . To be honestly we lost money on that=part of the JOB.. But I am not complaining. I Don't want be treate= like I'm cheating someone.. 20 plus years in business in NYC With=a stellar reputation . I got the JOB done exactly like described. I took c=re of all issues. Some could have been avoid because of the middle person =oop we have.. I hope this helps..
