Hi Jeffrey,

Thank you for everything you do to make my life easier especially during times of stress. I'll never forget your phone calls when Clas left. You shared a book with me about optimism and called several times to see how I was doing. You are always there when I need you. It's not often you can say that about a friend.

I am still looking forward to taking that walk with you on the boardwalk one day. You are my guardian angel but you must allow me to reciprocate whenever you need a hug or a smile. No man is an island (even if they come from Coney Island).

[REDACTED] To answer your question, I would greatly appreciate it if you sent a check to either me or the dentist by the end of August or beginning of September.

Thanks for being yourself, for all of your patience, kindness and generosity. When this work is done, I promise to send you a selfie (although I still hate them) with the biggest and best smile ever!

Love,
[REDACTED]

Hi

Jeffrey,

Help!!!!!! I'm in sticker shock. Please give me a strategy to turn \$10,000 into \$20,000 over the next few months. I'll do anything (including sacrificing my first born) but trade options because I can't do the math, no matter how hard I try.

Be happy and healthy,

Love,
