Here is Sean Lancaster's
Opinion GV vs G550

Larry,

I =ould focus on the G550. The GV will need a lot of upgrades in coming years=and may cost as much as 500K to meet that. I do see deals in both ma=kets though. Both are declining rapidly. You really need=Rolls Corporate Care for either to protect yourself. Loaners are a huge is=ue and Rolls controls the market

Best regards,
