Just had an hour consult with Justin Dillon of Kai=erDillon, probably the premiere Title IX firm in the country (you can goog=e all the work they have done). He is presently doing 2 cases at ASU= and it turns out he read physics of star trek when he was in college and =s a big fan. He seemed excellent and knew just how the system works =and has already once forced ASU to end a suspension of a student because t=ey violated his rights).

Anyway, we talked strate=y etc, and I am confident if I went with a lawyer to keep me in my position= at ASU they are the firm. They are not cheap though. \$15K ret=iner, and he expected the full process would probably be between \$50-100K.=

Let me be blunt. Can yo= help? I have already lost over \$100K in speaking engagements this y=ar alone.

There is no one else I would ask=so bluntly, nor anyone else I will be absolutely fine with whatever the an=wer is.

Lawrence
