I've decided to help you, However i am very disappointed by the fact that you felt it necessary to threaten me. . I think you should apologize to me. . you and I have been together a long time. A0 so i know you must have been quite upset to do such an outrageous thing= . you should also know that I felt it necessary to contact some friends in FSB, and I thought i'd not give them your name. They explained to me in no uncertain terms that especially now , when Russia is trying to bring in outside investors , as you know the economy sucks, and desperately investment that a person that would attempt to blackmail a us businessman would immediately become in the 21 century, what they terms =. vrag naroda meant in the 20th A0 =C2 they translated it for me as the enemy=of the people, and would be dealt with extremely harshly , as i threatened the economies of the country. So i expect never ever to hear a threat from you again. . that being said , I think 50k per month for the next two years. and I will help you get a visa, is very generous. . if you decide to stay in Moscow , its ok with me,
