Czm was very late in approving the permits for p dock repair. Th=se permits were filed by Hoffman not IGY as the owner if that dock. Becaus= of the delay, We are waiting until after hurricane season for repairs of = dock. Recall that the repairs to that dock were going to guide us on the other docks. Also we applied for a fede=al infrastructure grant at ayh and we hear on the award in September. We a=e also in conversation with bppr on an extension. Sorry - it's isla=d time there and it's very hard when the government is involved in any capacity.
