Jeffrey,

I said more then ten thousand. I=perfectly understand Cartier but this makes me sick. It's the first ti=someone makes me weight what I have bought when it was offered as a pres=nt. When you decide to give your card to someone and say:"buy what yo= want" (shoes and belts, this is what I bought) I assume you mean w=at you are saying. Asking for the price later on is not very elegant. I fe=t really uncomfortable. If the money was such a problem for you, you =ould have told me and give me a budget and I would have fitted in it. In t=is case I would have perfectly understood. I really appreciated the act of=landing me your card but if I would have none that this would have been yo=r reaction to it, I wouldn't have bought anything at all.=Sorry, it was my mistake.
