Dear Jeffrey,

I am really more optimistic about th= final sale price of this property. It will probably not be easy to get a =it much higher than 40. Mr. Kiss refused for several reasons better offers= but this is the past.

Anyway, would you decide to offer 45 and invest 2=to upgrade it, I would be happy to market it for you with this special con=ition: only be paid if the resale price is over 55 !<=p>

I am aware of the cost to rebuild, similar to the chateau i am looking at in =rance and the country home in the UK. . however those costs are as you are aware are totally irrelevant to the current market prices= . I have not reached out to Mr Kiss either because i know it is emotional.and i am sympathetic to his views. I would send =ou a contract at 20 million but i do not want to upset him, I=don't think it will sell for more than that. ever. =A0

Dear Jeffrey,

I would agree with the Knight Frank's estimation of value if it is just for the garden! =/u>

There are 1900 Dactylifera palm trees, 300 Washingtonian palm trees and 320 three hundred year old olive trees which would cost around 15 million euros alone along with the garden design.<=>

If Knight Frank would like to give their real opinion of value for the construction and quality of this masterpiece, we can=organize a visit. I would hope this multinational company would never make=a formal valuation without viewing first....

Knight Frank has no representative here and are unlikely to have any idea of the real value of high end properties in Marrakech.=/u>

I haven't =old Mr Kiss about any your comments but I know him very well and I know he=would rather give his palace to a foundation than sell it for a too low pr=ce.
