This morning I contacted the administration for masterclass and asked if it was okay to pay participation fee now, together with the application fee and accommodation. In this case instead of doing two wire transfers - one now and other in beginning of August - there was only one transfer, which I believe would save money and time.

They approved that it's ok to send all amount at once. It would be:

Application fee - 80 euro  
Accommodation - 363 euro (11days)  
Participation fee - 300 euro  
-  
Total of 743,-Euro
