I believe that we will have the various issues that needed to be resolved w=th BPPR (with regards to allocation of insurance proceeds to repairs, vs. =aving to pay them until things return to normal) and settlement of the ins=rance claims. As soon as that is done I will have a full report sent to yo=r guys along with current financial statements. That should be done in th= next couple of weeks. After that you and I can have a fully informed dis=ussion about what to do with the asset. Xoxo
