JE,

Confidential: Here's the list below.

Another possibility is I am going to try to pull off an Edge Science dinner that Sunday night (Aug 2nd) in =F. This would hopefully attract some of the players you would like to =ee. (What's come down in the last 8 years is that all of them have 2-3 =ids aged 3 to 8 and summer weekends are increasingly important to them. =

p.s. I never received =inancials from my daughter-in-law. KM and I presume she wants to keep =ur grandchildren and her business (in which she already has investors =nd partners) separate. Fine with us. Thanks of course for your interest =hich goes beyond friendship into the realm of affection. Always =ppreciated.
