Dear Jeffrey,

Is there a time next week that will work for you? As I mentioned, I will  
be in Austria next week. So, if you're in the same timezone, perhaps  
we can set up a time to speak on the phone that works.

Hope all's well,

Nathan

Dear Jeffrey,

Thank you very much for your email. I am in China, and in meetings all morning our time= tomorrow.

Are you on the east coast of the US? If I know the time zone, we can work out a good time that works  
for you. I'm quite flexible in the afternoon tomorrow for example, but I believe that's getting very late for you.  
Otherwise, Sunday morning China time would of course catch you earlier in your day.

Hope we can find a time soon,

Kind regards,

Nathan
