spoke with Scott from Palm Beach Garage and reviewed the attached quote for 8,320.57 which i was able to negotiate to 8,000.00

it includes the following:

- a) replacement of water pump as car is leaking water - mat & labor & tax = approx=4,500
- b) left batter - mat / labor & tax = approx 400
- c) ac aux fan - mat / labor & tax = approx 1600
- e) replenish fluids / coolants / service oils - mat / labor & tax = approx=850

two areas not included on quote were:

- a) alarm - issue is that trunk does not close fully and they could quote this as it needed to be taken apart
- b) clicking sound in dash - scott said it stops after 2 minutes and if it does not bother you then not worth fixing as they will have to take apart entire dash

please advise if ok to proceed
thank you
