They were different. But both very helpful to understand how people like Tom and Peter do feel current situation. And it was not only about Russia. By the way I was surprised that they had a lot of information about Russian economy and their view about our society.

Tom shared his views about China's experience of developing country which we have to use. Peter - about new challenges for all governments.

I want to see them in Moscow and I'm thinking about agenda for both. Peter is ready as he told me to come. How he can come.
