maybe deep back in you =ncestry.. :)

btw..=Nancy thought that better than having people say "Oh, he was so =oung", after dying, it is much better for them to say "Oh= he was so old!"

we didn't get to talk to the lady from phoenix.. =nbsp;seemed like a storefront operation. Although they set up the =ppointment for an initial consult, when the receptionist called and =old me she was about to put me on with the lawyer and her partner, she =aid, "How do you want to pay for the \$250 consult fee?". =nbsp;Having sent me 3 emails to set up the appointment and having had 1 =hone conversation with Nancy to begin with to get an email address, it =ould have been somewhat professional for them to mention that fee in =dvance.. plus it does seem irregular, since normally a consult, to see =f they want to take the case, and if one wants them to take it, isn =99t charged.. Anyway, if it is, it isn't something they should =pring on you when you are on the phone about to talk to the lawyer.. so =aybe we will go back and talk to her, but given that her office is near =he airport where the strip joints are, I figure she is used to =epresenting poor immigrant students who can pay for a couple of hours =f her time.. Today is a day off from thinking more =bout this.
