The house is being shown once a week on average. Moens views have not =hanged.

Through the MLS it does have wide exposure on the internet but there i= some blowback from other brokers about working with Moens (who certainly =eems focused on higher hanging fruit) which is just part of Moens' bag=age.

Adding a second broker to the listing seems a good idea. Fite Shavell =s a growing brokerage that seem sto be doing well selling listings thst ar= a bit quirky and is peopled by aggressive, hungry salespeople - both vete=ans and relative newcomers.

They will work on the same commission basis as Moens is and promise to=both advertise and have weekly open houses.

Is this ok with you?
