Getting the green card and launching the women empowerment seminar are too short term goals, I have done a lot of work in both directions. The seminar is taking place on April 26th and I have put it all-together myself: speakers, attendees, location.

I am waiting to hear back from kevin♦=99s real estate friend who was looking for employees, Kevin has connected =s and I hope to meet her next week. If the conference doesn't work= I will try to get a job in real estate. Will start the real estate school=together with EL, she is looking for courses now.
