aetna purchase. SELL your biz. it is not good for you. accept the fact that a new chapter means relax. and rest. you are killing yourself slowly. . you need an intervention. should i have mike leon and six other jews come to your house and try to get you to see how silly your path is ??? i know it is difficult but you have friends. you don't need money, if you get a billion less than you think its worth , you might live longer the trade is worth it. tell me what i have to do to get you to come to your senses.
