**Subject:** I'm sorry.

I felt terribly when I read your email last=night. I have not been functioning on all cylinders and even though he was a=lawyer I shouldn't have been that open with him. I don't th=nk he focused on it—was more interested in convincing me to go with=him I think. His last email was more conciliatory but anyway I don'= think there is a real reason to have him talk to you on sat. Do you agree?=div>

Am awaiting a call back from the woman lawyer from Phoen=x.

Thanks again

Lawrence
