Will call.

I am serious about something along the lines of my email, although I =an't see myself working for, or reporting to anyone else in any way. = Do you remember when we first met, your idea was that all your friends =ere swimming in \$\$ and would welcome opportunities to do interesting =hings in science. In the end, most of them want only to be in each =ther's company ir, more lately, alone on their private islands, their =pace capsules, or in their private genetically-altered gene pool. The =eason the master classes and the billionaires' dinners worked was =ecause the billionaires could not afford NOT to be there.

In any event, I could see 10% of Brockman, Inc. for \$10M, or possibly a =ajor commitment to an endowment for the nonprofit EDGE. With you, of =ourse, putting together a deal.

About to drive down to work. Will call in a few minutes.
