Hi Jeffrey,=div>

Steven Pinker sends his thanks to =ou (via Lesley).

= just spoke to Rich and he said that you would like to end my working for =ou on July 15th. I will of course send over all the updated databases, wit= login's and passwords for the website, blog etc.

I am sad because I was hoping to work for the f=undation as a scout, targeting the research in fields that interest you--=nd doing progress reports on those projects that you fund.
