I received a message from Rob Imlay,. He is due to test fly the Avjet BBJ late this month, most likely early August., Rob offered for me to ride on flight,,

Should I try to set up the flight so you can fly on the BBJ?

Message from Rob:

Larry,

The next flight on the BUR BBJ will probably be late this month or early August since I'm stuck in Manila flying a G450 till sometime late this month. Wanna come out to BUR and see it and go for a ride with us? If so, I'll work on setting it up.

Cheers!
