Hi Jeffrey,

I recently had Reefco (air conditioning folks) come an= clean the all vents in the office. They discovered that we have a s=rious case of mold in the ceiling. The worst of the mold runs from m= office to your office. It is especially bad in both Jeanne'= and my office. Do I have your permission to seek out someone w=o can address the mold issue with an antifungal treatment and al=o replace the ceiling tiles? We may have to opt for a solid wood cei=ing since the tiles do nothing but absorb the moisture and we can li=erally see the mold growing on them.

With wa=m regards,

Cecile
