I am there anytime you want to vent. biz is no= really important at the end of the day. your reputation will =ot be damaged if one of your many ventures is not as successful as a=l of the many others, . it is like the pimple on t=e nose of the girl at the prom, she thinks everyone is l=oking. no one really notices as they already know her an= like her. I also understand that , like me, science and=finance is much easier to deal with than the emotions of wives. frie=ds. employees. partners. associates. dependents etc. =AO I am there in any capacity that you might find helpful. =AO If you decide to open a second front. we should talk. =waterloo is not just a train station
