Hello Richard,

You and I are businessmen. Every day we make multi=le decisions that benefit our business. When you and I discussed the opportunity for me to en=er your business as your property manager we discussed our respective business=s and worked towards a meeting of the minds. I sincerely regret we did not ac=omplish that when we first met

This unique opportunity has=been a daily discussion with Joyce since our last phone discussion. If the =osition is still open and Mr. Epstein's offer is still on the table, I would =ike to have another conversation on how you and I can make our businesses work. I =ould also take you up on the offer on how to structure my company for the best t=x breaks. What do you think?

I could meet you today after =pm or any other day that works for your busy schedule.

Best,

Leighton
