Subject: Fwd: Big N: parts to be reused

Bosco is saying that these items are still in good condition and that I shouldn't be worried.

Hi Rich,

Bosco is saying that we have to re-use the old Heat exchange, Pulley, Alternator and Salt water pump, not sure why any of these items weren't brought to our attention months ago when we asked.

I'm sending TJ down to SBDD to sand, clean and prep everything for Danny E. to re-paint on Friday.
