Hello Jeffrey ,

I know You are very busy and I don't want to bother You with that .but I really need to talk to You . all the time I'm thinking about my life situation . I feel very insecure . Feels like You don't need me anymore around since [REDACTED] came .

I wish to have someone like Karyna has You . You made all my life a real dream . And I couldn't imagine my life without You , You are my friend forever . I have a big gratitude in my heart to You .  
And I can't ask You more . But I really can't live life - all the time I'm nervous about money , for me it's a big stress . I want to find a solution . And I think that I have to be someone's mistress , someone will support me fully with the money and so on . I really need it .
