Dear Richard,

As I am packing for the =rip home, just a word on the Library. Yesterday, I found in TJ's shop =Liberon" wax, which is almost as good as the Renaissance wax, and has =ery nice smell to it.

I just wanted to assure you =hat we waxed every small detail in the Library. We left "no stone" =n-turned. Mr. Epstein told me that he likes the Globe bases, how they =urned out. I also gave them generous wax coating. =astly, I attached all the "critters" to the doors and moldings. =/div>
Thank you Richard for your support.

Brandon
