Dear Richard,

Jeffrey tells me to send you my need list:

I will need some money for [REDACTED] school (he will enroll in the German International School), and we have to pay the tuition for the year in June. [REDACTED] will get into daycare this year. MIT has increased my salary, so it covers now 2/3 of our living expenses. Jeffrey's last donation kept us afloat until now; for the next year we will need about 89,000. (29K for tuition & daycare, 5K for traveling, 5K for hardware and some appliances, 2700\$ for car repairs and about 3900\$ monthly deficit between salary and expenses for rent, food, healthcare.) Could you please help?  
The wiring address is the usual one (MIT FCU).

Bests,

Joscha
