<=iv>

Now I can find out who our tech=ician is.

Josh

Hi Richard,

The AD-285 is most like y=ur older Maytag MDG30. This model is a bit longer and the exhaust is throu=h the top of the machine.

<=pan style="color:black">

The other model is Maytag's MDG35=N. It's a newer type of dryer that would require more frequent cle=ning of the lint tray. The older models had a bigger lint drawer.

B=th are made at the same factory.

Josh
