No= I can find out who our technician is.

Hi Richard,

The AD-285 is most like y=ur older Maytag MDG30. This model is a bit longer and the exhaust is throu=h the top of the machine.

The other model is Maytag's MDG35=N. It's a newer type of dryer that would require more frequent cle=ning of the lint tray. The older models had a bigger lint drawer.

B=th are made at the same factory.
