Subject: GV update

Gary informs no updates from Miami or Pons,,
Gary has requested bank funds from Pons,,

FYI
I'm told GV serial numbers 501-534 are not able to register those GV's in EU=due to a wing Spar issue, could effect later resale ,. I'll confirm this wi=h Gulfstream Tech support.

Larry Flint
I ask Gary,
"Is L Flint still making a play on GV"

Gary informs:

Yes but His bank will not fund 110% of purchase price unless he blocks off a=certain amount of cash in their wealth management program. He says he can d= that with any bank and probably get better terms starting with a new bank t=at wants to steal his business. Bottom line is his financing ducks are not i= a row
