Dear Mr. Epstein,

All my methods of finishing=are reversible. There will be no problem with eliminating or diminishing t=e dark areas on the columns. All can be easily adjusted.

The gl=bes are completely black right now, the picture was taken during the work =hen they were not finished yet. Respectfully,

Brandon Thompson

the colums by the doors espec=ally , look awful and like a barber pole. of dark and light. =C2♦ only the figures should be differentiate d and not perfectly. = what woudl i have to do to tone down the wax. . wipe it off.=C2♦ cover it. I made a sample when i was there of the column by th= window. it is apprante that the one by the door is not close to its=subtle ness why is the globe half done?

Dear Richard,

Today, Ann promised me to help me sending the photos.=

The final treatment on the columns is, as the decorations on th= columns were waxed for decades. Now, this leaves the marks on the surrou=ing areas,

so when you look at them, looks like more work was do=e to the columns. This is quite radical treatment, as I did many times in =onnecticut. Well, many

customers asked me to distress the surfac=s on the top of this, but I did not do anything like this in the Library. =ere are the photos, and please give me some feed back, tha=k you.

Brandon
