Brice, McIntosh does=not currently manufacture subwoofers. The sub we sell that is most compara=le to the quality of McIntosh speakers is made by REL. Subs are all they d= and they do them well. The model I would like to install there is in the =ibraltar series, called the G1. The normal selling price is \$4499. your pr=ce is \$3825.

If you really are considering an ine=pensive replacement, I would recommend the Goldenear Force Field 5. Your p=ice is 850.00 This will kill anything you can get at the big box stores.=C2

I'd have to order either one. I would b= willing to sell our lightly used G1 demo. I could bring it out tomorrow i= you let me know today. \_\_\_\_\_
