**Subject:** Several things

- (1) 2 and 1/2 hours in that hideous dental office this afternoon. Apparently, my molar had a fourth canal. My god.
- (2) I decided that I don't want a big mortgage. Too much stress, and I want to be able to drop out of society when I feel like it without that shit hanging over my head.
- (3) another NPA was announced today -- Rothschild AG in Zurich -- only \$11 m= penalty, but very sizable AUM. Hard to figure; will cause great angst in Geneva. Will try to get intel tomorrow.
- (4) Poe has been doing a ton of outreach with potential amici. Even if no one bites now, the reaction has been important and well worth the effort.
- (5) your boyfriend reports that the govt's case has collapsed and that he was "the man" today.
