Jeffrey,

I just had the opportunity to interview a young lady Rebecca Dobson (resume attached) who I very much would like to hire. Her responsibilities would include office management, administrative oversight of real estate projects, HR (in office and would suggest household employees as well) and general administration. She currently works at the Wexner Office in Ohio where she has worked for the last two years and is moving to New York because her husband is taking a job at Goldman Sachs. She is smart, solid, and energetic and comes with the highest recommendations. I expect she would make around \$100,000 all in. If you have any significant objections please let me know as soon as possible as she is entertaining another offer. Thanks. Brad
