look forward to seeing you on thurs. . =A0 is there anyting in writing on the institute idea? I would =und anonmously so as not to pollute the work with press.

Is noam conversant with category theory as a notation for theories. =A0 ( any science of relationships objects collections, including mathemati=s). . . is language the equivalent of a subse= of the sound/time domain , organized as a coherent shape space. exa=tly the same as an image as a coherent shape space in the light/visu=l domain. both including a time component? . =A0 permitted morphism in the space would map to sentences. as they w=uld mappings to objects in visual space.

in my =iscussion this week with a large group of AI people , I quoted the =atural stupidity. story that you told me. . however, I thooug=t that as opposed to answers , the focus might be better on qu=stions. than answers. Common sense is common to most animals, =I sugggested that it is the ,what more? why not ? that seperates the=C2 higher functioning. ?
