Subject: Phaidon governance

I'm wondering if the trustees should run the Phaidon and Art Partnership structures by our outside counsel, Irene Steiner at =kin. Would that make sense? It would pain me to slow things do=n, and I'm not looking to waste money, but maybe it gives us all an added layer of comfort?

I can discuss with the trustees and we will make up =ur own minds. But is it possible that this might give Leon an added =measure of comfort?
