hi  
talked to moens yesterday. one circler seems to have lost interest. another is still interested.  
moens thinks buyer is  
-someone who recognizes the value and view (moens thinks value is there) and doesnt mind the vertical floor plan -  
someone who will undertake a project he cant predict which...

i have talked to 4 or 5 friendly brokers in the last 2 weeks to take the temperature but not signal worry and get "you mean he hasnt brought you an offer you could work with yet" response. so i remind them of the house. i have a lunch with mccann tomorrow.

we could offer an extra 1% to a cooperating broker no one thinks the house is overpriced

i am also reaching out to contractors to see if they have leads....
