Jeffrey Epstein

Good morning Jeffrey! are you still in Caribbean or you are back in city? would love to see you!!
I'm so excited - tomorrow my family is arriving!!!! Thank you again for this amazing present to have them here!!

there is only one problem about their arrival: they are coming at different airports almost at the same time!! 12:55 Newark and 1:43 JFK. Plus I have commencement orchestra rehearsal until 12:45... so it makes a little complicated for me to pick them up.. Maybe your driver could help me out with this or he won't be in ny tomorrow?
