You don't like the couch in Anna's office?

H= Jeffrey,

The couch that you chose from Amazon has a pink tinge to it. We thought it was the lighting and moved it but it still looks like a light pink couch. We called Amazon to get a refund and they want us to send the couch back. It was delivered to Tropical Shipping in Florida by them so we have to ship it back there.

Anna moved the couch into her office and likes it better than having the guest chairs (see picture below). The alcove now has the guest chairs and coffee table (see pictures below). We are going to keep the "pink" couch in Anna's office, if that's fine with you. Do you want me to reorder the couch from Amazon for the alcove or should we consider other options for a couch?

With warm regards,

Cecile
