I will confirm that Warrenty is hon=red at any Gulfstream facility,, I've already request an interior p=rson to look at the plane at Jet,

Also the CMC failed on this flight, t=is was repaired at Savannah before we departed, the CMC is computer that re=ords engine and aircraft systems and sends this data to Gulfstream in Savan=h and also Pete is able to view this info on his computer,, it's si=ilar to a flight data recorder except it transmits this information via sat=llite.

Gulfstream will work the CMC issue an I'll meet wi=h Plane Perfect interior shop, they are Gulfstream Palm Beach sub- contract=r for any interior work,

Thx
