after a few back and forth conversations with Gene from Subbase Drydock i was able to negotiate the
following:

260,000 final price (Gene will not come back to us for any additional change orders)
this price represents a 5.11% discount from 2nd quote of 274,002

point)
June 3=th

<=iv>Gene requested for that price we send an additional 150,000 (200,000 wi=l be paid to date at that
and balance of 60,000 will be d=e on completion which he estimates to be 8-9 weeks or approximately

Note: Subbase bid does not include any Engine =ork on bid as they are not equipped to work on Engines
Refurbish=d Engines (2) were purchased in 2010 for a total cost of 54,000
Bosco believes that engines will need some work but do not need to be=replaced

Please advise if ok to proceed at 260,00= and send wire today of 150,000
Thank you

PS - we should talk about future of barge operations (ope=ator and maintenance) as Anna, Daphne and
myself all have concerns about B=sco
