Thanks so much for the feedback toda= and I appreciate your insight into the situation, Always know you can dep=nd on me to help, I truly believe Leighton was handling himself like any o=her candidate, it becomes more magnified with him being he is such a high =icket item, I think at the end of day, that he could be flexible to a cert=in level(what ever that is, I could not tell you, But I think that it can=remain hopeful that if there is any give or take all around,then, ev=ryone would benefit from it,. It probably is helpful in this case that =A0I'm the middle person in the discussions it could perhaps help=in getting it together to a level that would make sense and work for all,=C2

In the mean time, I will continue to look for you=for additional candidates, confidentially, usually the direct recruit is t=e best way to find this level of talent, advertising helps on certain leve=s, others it is nowhere near as effective.,

Th=nks again for everything, you , Leslie, and Jeffery have been so ama=ing to work with.

Best,
Russell
